

YOU  
WANTED  
BETTER  
AUDIO  
PRODUCTION

WE  
ROSE  
TO THE  
CHALLENGE.

*Our audio production and mix-to-picture suites have all the technology to make you, the producer, happy. Jay Rose, sound designer / engineer has the talent and creativity to make your project a sure winner\*. If that sounds good to you, challenge us.*

\*Jay's work has helped producers win over 200 major awards, including three Clio's, the 1985 NEBA "Best of Show," and bunches of Hatch's and Andy's. It's also won us a lot of friends.
